Services Provided

Claims
It is our mission to act with the utmost professionalism while serving to protect the interest and integrity of our clients by promptly and fairly resolving claims. We strive to maintain and enhance the public's impression of our insureds, while simultaneously permitting our clients to return to their normal operations as rapidly and seamlessly as possible.

Risk Control
We assist our clients in mitigating the frequency and severity of losses through risk control, a comprehensive, value-added service provided to our insureds, at no additional cost. Our in-house risk control professionals provide recommendations for process improvement to reduce risk to equipment, property and personnel.

The Old Republic Difference

No matter what industry our clients are in, having the right aviation protection for their aircraft and business is essential.

- Aviation Specialists**
- Experienced, highly respected management team
 - Stable and consistent underwriting culture
 - Well-recognized brand name in the aviation insurance industry

- Superior Service**
- Committed, in-house aviation claims expertise
 - Regional claims offices strategically located in all major time zones providing local service
 - Expert, tailored risk control services
 - Innovative technology platforms
 - Extensive, nationwide agent/broker network
